CENTRAL MIDLANDS REGIONAL FREIGHT MOBILITY PLAN

January to December 2017

When completed, the Central Midlands Regional Freight Mobility Plan will offer a set of strategies to guide state, regional, and local agencies responsible for the movement of freight in and through the Midlands Region. For more information, check out our website or contact Reginald Simmons, CMCOG Deputy Executive Director and Director of Transportation at 803-376-5390 or RSimmons@CentralMidlands.org.

Short Freight Mobility Survey Needs Your Input

If you receive deliveries at your house, enjoy food and other items delivered to businesses, live adjacent to or use the region's freight network, or work for a business which depends on this freight network, we need your help. [Please share your thoughts in this brief, 8 question survey](#) for the Central Midlands Council of Government (CMCOG)s Freight Mobility Plan.

With approximately \$145.7 billion worth of goods moving through the region each year, freight mobility matters to the Central Midlands region, and your opinion about it matters to the CMCOG. When completed, this Regional Freight Mobility Plan examines the economic benefit of the region's freight mobility network, evaluates the regions freight transportation needs and freight related land development, and establishes priority projects for freight mobility. For more information, check out www.CentralMidlandsFreightMobility.org.
